

EPL Youth Project Sponsorship Program

EPL Feed, LLC is excited to announce a new sponsorship program! We are hoping this program will cover a larger percentage of youth that are involved in an EPL feeding program where the feed is purchased directly through EPL Feed. Each individual is able to nominate one project animal per year. After the fair of their choice, please mail the below information to EPL Feed within 30 days of the show. Make sure your 4-H leader, FFA Advisor or barn superintendent signs off on the below form and we will drop a check in the mail. If your chosen project is involved in the NWWF market sale, your sponsorship will be run as an add-on to your sale animal rather than mailing a separate check.

Beef/Dairy blue ribbon recipients will receive \$100 and red ribbon recipients will receive \$75. Swine blue ribbon recipients will receive \$50 and red ribbon recipients will receive \$25. White ribbons will not be paid. If the nominated animal is a market animal and receives Grand Champion these recipients will receive an additional \$50.00 and Reserve Grand Champions will receive an additional \$25.00. If the nominated animal is breeding stock and receives Supreme Grand Champion **over all breeds** these recipients will receive an additional \$50.00 and Reserve Supreme Grand Champions **over all breeds** will receive an additional \$25.00.

I hope everybody has been working hard on their projects! If you have any questions with the new sponsorship program or with your projects don't hesitate to call!
